

Dear Parents,

THE INTERNATIONAL PRESCHOOL AND KINDERGARTEN

May 12th, 2010

We had a wonderful Mother's Day Party. Thank you for your participation. Once again, I was proud of my children's self-confidence and their ability to perform in front of their parents. Congratulations to our Kindergarten Class for their Reading Celebration. It was nice to hear all the praiseful comments from Mrs. Dawn Akyürek and Mrs. Melek

Burton from BESG (British Embassy Study Group).

April was a very busy month for the International Preschool and Kindergarten. We arranged a field trip to Taner Kışlalı Cultural Center to listen to Children's Day Concert, by the Presidential Symphony Orchestra. Our children had a wonderful Children's Day party in the afternoon

and we talked about how Atatürk entrusted Turkey's future to children of this country and that's why he dedicated April 23th to children.

Our children were very happy to take home Turkish flags and balloons.

Our Kindergarten Class talked about how to keep our planet clean on the Earth Day. They explained their friends what will happen if we throw our garbage on the streets

or into the sea. They also talked about recycling and reusage.

Mrs. Galubovic (Lejla's mother from our Older Nursery Class) visited our school and talked about Bosnia. It was nice to

hear how they say good morning, hello, thank you, etc.

in Bosnian. We learned that they also have some Turkish words, as well. Thank you Mrs. Galubovic. Ms. Josie, our Younger Nursery class teacher told us about Germany and distributed the threats from our Sister School. Our children were very happy when we unpacked the big box and we promised to send them souvenirs from Turkey.

Ms. Josie is on Maternity leave. We hope that she returns back with a beautiful daughter. Ms. Bonnie, who has been working with us since March, will take over the Younger Nursery Class. Ms. Bonnie has been teaching for 17 years. I'm sure she will be as successful as her. Our International Parents' participation is very important for our children. It is important to learn at this early age that the world is full of different people from different countries. In order to talk about different nationalities we

prepared a flag book to collect flags of countries that our international students come from.

Our children enjoyed attending "Little Ladies, Little Gentlemen Theatre Fair". They watched an Italian group. It was nice to be a part of this International organization. Thank you all for remembering our colour day. It was full of fun.
