

# THE INTERNATIONAL PRESCHOOL AND KINDERGARTEN

February 8<sup>th</sup>, 2010

Dear Parents,

It is nice to see all the smiling faces back at school. I see that our children have all rested and are ready for more FUN and LEARNING in the Spring Term. Please remember to send the reports back for the second term.

Our children enjoyed visiting BESG Library. Ms. Ann Kardas read them a Teddy Bear Book. Once again I was proud of their behaviour at the British Embassy Study Group. Thank you for raising such wonderful children.

Teddy Bear Picnic was wonderful. Our children had so much fun while we celebrated learning another good manner "Sharing". I would like to thank all of our parents for the treats, cookies and delicious cakes. Children loved them.

They also enjoyed our White Day. I'm glad to see that everybody knows White. Thank you for remembering this important day!

On Friday, February 12, we will celebrate the Valentine's. Our children will have a party in their

classroom. Please help your child prepare a Valentine Card (18) for his/her friends. If you want to send cookies, cakes or candy for the Valentine's Day Party, please contact your child's teacher.

# THE INTERNATIONAL PRESCHOOL AND KINDERGARTEN

We will talk about careers in February. Our children love to meet doctors, engineers, dancers, architects, football players, and all. Please inform the office if you would like to come and tell us about your job. Our children are so proud when they see their parents at school.

We have started to talk and enact the universe and planets in our science class. Our children, in the science class, also shaped planets using *papier-maché*; see our solar system on display at school. And you're free to ask them questions about the planets. You will be amazed by answers you get!

Our ON, PRE-K and KG teachers will arrange meetings to inform our parents about their goals for the next school year and introduce the educational schemes and curricula that we follow... Dates of the meetings will be announced later.

## THEMES OF THE MONTH:

- Valentine's Day
- Meet the parents at work
- Donation & Recycle
- Color of the month; Pink

## DAYS TO REMEMBER:

- 📅 Valentine's Day Party; February 12
